

## Larkspur Corte Madera Issues List

Priority	Zone	Location	Issue	Suggestion	Submitted by	Submission Date	Who
	corridor	Bike Path	Dog owners with retractable leashes speeding and inconsiderate bicycles	use shorter leashes; paint yellow line in the middle of the path	Hall students	2/27/2017	City of Larkspur
	corridor	Bike Path		share the path campaign			
	corridor	Rose Lane	students walking in the street - cars coing around the curve; students don't pay attention		Hall students	2/27/2017	
	corridor	Lark Theater Xwalk	long crosswalk; drivers don't stop; The sidewalk is uneven on the south side of the street.		Parent volunteers	2/27/2017	
	corridor	Paradise Drive	multiple issues		Parent volunteers	2/27/2017	
	corridor	Riviera Circle, east and west ends on Doherty, near Redwood front and back parking lots	dangerous intersection crossings parallel to Doherty	request bike lanes and speed bumps and improve crosswalks and ramps across both ends of Riviera Circle	Parent volunteers	2/27/2017	City of Larkspur
	corridor	Redwood & Pixley	road is very crowded for bicyclist and cars at school times, visibility issues for crossing guard	(possible solutions would be parking restrictions and/or speed limit at 15 mph Suggested "green Sharrow bike boxes"	Parent volunteers	2/27/2017	
	corridor	Magnolia crosswalks	parents concerned about crossing	Could we add flags or try other methods for making the intersections safe at Baltimore Ave and Dark Park to Perry's?	Parent volunteers	2/27/2017	
	corridor	Holcolmb Crosswalk	Redwood students racing through crosswalk; Students cycling do not stop at stop signs. Vehicle drivers do not give pedestrians the right of way	improved signage at crosswalk; increase enforcement	Parent volunteers	2/27/2017	
	corridor	Lucky Drive	safety issue for students to travel east without having to cross Lucky Drive by the freeway does not include a good way to go left when traveling north to get across Lucky-to-Fifer where traffic does not stop	Request one block long Protected Two Way (Class 4) Bike lane on west side of Lucky in Corte Madera ending in a new crosswalk across Lucky north of Fifer	Greenbrae neighbor	2/27/2017	Corte Madera, Larkspur and County of Marin
	corridor	Lucky Drive to Doherty Drive	does not include a good way to go left when traveling south across Doherty to trails," and "Unsafe to travel north in crosswalk across Lucky-to-Doherty free right turn traffic which does not stop	. A flashing beacon was suggested some time ago. Ramps for cyclists were recommended too	Task Force	4/25/2017	City of Larkspur

	school	Redwood High Parking	not enough parking	suggested encourage alternatives to driving; charge more for parking to incentivize	Redwood Asst. Principal	2/27/2017	Tam High district
	corridor	Bike Path along the creek off Sandra Marker Trail towards Neil Cummins	It is not paved and is very narrow. It gets muddy in the rainy season. Last year a student fell in the creek;	Pave the path	Task Force	4/25/2017	
	corridor	Baltimore and Magnolia	cars don't stop at stop sign	A flashing beacon has been requested at Baltimore street. It is a challenging crosswalk for students. Vehicle drives are not paying attention when students are walking: they do not stop. The police have not been aware of safety concerns and will add it to their patrol list. A beacon may not be an option because of the number of lanes; pavement shark teeth or other advance warning facilities may be recommended.	Task Force	4/25/2017	
	corridor	Throughout district	Dark Crosswalks- Many of the crosswalks are dark, making it difficult for drivers to see pedestrians in the crosswalks.		Task Force	4/25/2017	
	neighb orhood	Greenbrae Hills	many students attend Hall and Redwood. Task Force should look at issues here		Task Force	4/25/2017	
	corridor	Wornum at Redwood Highway North	Issue--cars turning right across Class 1 path dont see that bikes + peds have green signal	Pedestrian activated red blank-out-arrow during green ped phase	Task Force	4/25/2017	Corte Madera
	corridor	pathway behind Trader Joes	drivers going too fast along Redwood Highway N.	need Southern Segment NS Greenway behind Trader Joe's for east Greenbrae students travelling to Neil Cummins and Cove schools	Jean Severinghaus	6/8/2017	county
	corridor	Tamalpais from Bay Trail on San Clemente to Madera	Multiple intersection issues, and dark, out-of-sight pathways, steep, non-ada spiral ramps, sidewalk on bridge has no railing re 101 overcrossing	new 101 overcrossing on Caltrans being reviewed this summer	Jean Severinghaus	4/25/2017	Corte Madera; Caltrans
	corridor	Redwood	students bike along here in the middle of the street.	explore no parking along the route.	Task Force	Sep-07	Corte Madera
